Mr. E. F. Collier,
Hext, Tex.
Menard Co.

My dear Sir;

I was glad indeed to receive your letter of March 19th. I am now trying to trace the family of Uncle William Collier that lived before the Civil War either in Harris or Talbot County Georgia, he had no children and married into the Raines family. I wonder if Cousin Fannie would remember just where he lived before she left Georgia. I understand that perhaps she has gone to visit your home and if she is still there will you kindly ask her regarding this?

Aunt Edith Louise Collier married a Sherman of Upson County before the Civil War and only one member of her family is now living that is Miss Mary Lou Sherman about 78 years old who resides at Cuthbert, Ga. I didn't know about she lived until about a year ago, don't know how she looks altho she was at my Father's home when I was a small child.

Dr. Flewellen was my Father's personal friend as well as Grandpa's and he has been dead just a few years, died at The Rock Georgia in Upson County. Grandpa, R.M.Collier, had a large family fourteen or sixteen children, some of them died in infancy and while growing up and they are all dead now except one boy by his second wife, Robert Marshall Collier residing in Atlanta, Ga.

I trust you will visit Georgia at some time and come to see us. I expect to visit Texas during the present spring and summer as I will make a trip out in Mexico and stop off and try to meet as many of you as possible altho it appears you are scattered all over the state.

With sincere regards and good wishes, I am

Sincerely,

JCC:C
